BRIEF DESCRIPTION OF RESEARCH

Suggested information includes, but is not limited to:

- Purpose of research, project objective – bullet points / highlights / facts*
**provided information does not have to be in narrative style*
- Major outcomes, project findings
- How DLP technology, specifically DLi's DLP solution, was utilized in research
- Project images / schematics / video
- [Click here](#) for examples of previous DLi research spotlights

SUBMISSION INFORMATION

Submit material / information to Amy Bosch
ajYc@dlinnovations.com

Upon submission, our Marketing Department will create a research spotlight draft with the approved material provided by your team. Prior to publication, DLi will share the draft with your team for review and final approval. DLi's research spotlights are posted on our website, social media channels, and shared with customers through email campaigns and other forms of outreach.
